

WE SUPPORT THE FOLLOWING PRINCIPLES FOR ANIMAL WELFARE

EGGS

- Woolworths does not sell whole eggs from hens kept in cages
- Currently, 100% of whole eggs and 100% of liquid and powdered egg ingredients in Woolworths private label food products are free range. Furthermore, Woolworths is committed to supporting initiatives that enable a shift away from caged systems in South Africa, and continues to engage collaboratively with other retailers around this

DUCK, LAMB, VENISON, CHICKEN, BEEF

- 100% of Woolworths duck, lamb, and venison are produced according to our Free Range Farming Guidelines, and we continue to sell extensive lines of free range chicken and beef in-store (currently approximately 50% and 30% of products respectively). Free range means the animals eat a natural diet and are not given routine antibiotics or growth stimulants

PORK

- Woolworths launched the Kinder to Sows programme in 2014. The aim of the programme is to source pork from farms that no longer use sow stalls to restrain pregnant sows for prolonged periods, reducing the time adult sows spend in gestation crates from 16 weeks to less than one week. Currently, we source Kinder to Sows pork for Woolworths fresh pork products, pork ribs, and all bacon and gammon lines

AYRSHIRE MILK

- Since 2002, Woolworths Ayrshire dairy farmers have not administered rBST to any of their Ayrshire dairy cows

WE SUPPORT THE FOLLOWING PRINCIPLES FOR ANIMAL WELFARE

Beauty Without Cruelty

ANIMAL TESTING

- Woolworths does not permit the testing of our private label products on animals
- Since 2008, Beauty Without Cruelty has approved the entire Woolworths private label range of cosmetics and toiletries. Additionally, in mid-2019, the full WBeauty range became 100% vegan

ANGORA

- Woolworths ceased ordering products containing angora in January 2014

FUR

- Woolworths is a proud member of the Fur Free Alliance. We do not permit the use of any natural fur or farmed fur in our products. Our definition of fur is aligned with that of the Fur Free Alliance, and includes any fur from animals bred and farmed purely for their skins, such as mink, sable, chinchilla, fox, muskrat, racoon dog, rabbit, astrakhan, and karakul, but excludes by-products of the meat industry, such as shearling and sheepskin

FEATHERS & DOWN

- Woolworths does not permit live plucking in any form, including for duck and goose down. We aim to source from suppliers who are Responsible Down Standard (RDS) compliant. We are also increasingly looking towards synthetic alternatives for our products, including using recycled PET in pillows, duvets, and puffer jackets

WOOL

- Woolworths takes a proactive approach to sourcing a sustainable supply of wool that is non-mulesed, supporting local wool industries and sourcing non-mulesed wool where possible
